

2022 GRANT RECIPIENTS

Scan to learn more

Toward addressing disparities rooted in white supremacy and systemic racism, the Commemoration Fund is proud to announce 2022 grants in support of:

ACT TULSA

Accelerator program aimed at cultivating black and brown-led technology start-up companies located in Tulsa.

AMERICAN CIVIL LIBERTIES UNION OF OKLAHOMA

Toward litigation and public education to help address critical issues impacting historically disenfranchised communities.

BIRTHRIGHT LIVING LEGACY

A grassroots effort providing supportive parenting services for justice-involved fathers.

BLACK TECH STREET

Capacity building to help build an inclusive, collaborative, and equitable Black-tech ecosystem based on the entrepreneurial foundation of Black Wall Street.

CASA DE LA CULTURA

Facility renovation and program support for a local nonprofit dedicated to the preservation and promotion of Latin/Hispanic culture and arts.

CROSSOVER COMMUNITY IMPACT

Expansion of a successful healthcare initiative to reduce uncontrolled diabetes in North Tulsa patients using education and locally-sourced fresh foods.

GIRL SCOUTS OF EASTERN OKLAHOMA

A pilot program providing professional counseling and wrap-around support for daughters connecting with incarcerated fathers.

GREENWOOD CULTURAL CENTER

Community support and education around public issues that have birthed and continue to support system racism.

GREENWOOD RISING

Internships for long underrepresented students of color to pursue careers in the museum profession.

HISPANIC-AMERICAN FOUNDATION

Scholarships providing Tulsa-based Latinx students the resources to continue pursuing higher education at Oklahoma-based institutions.

HORTON RECORDS

Production of an original short film and soundtrack spotlighting creatives of color in Tulsa.

JEWISH FEDERATION OF TULSA

Field trip support for Sherwin Miller Museum’s exhibit that invites students to explore the role of white supremacy in the Jewish holocaust, the 1921 Tulsa Race Massacre, and the tragic events of today.

JUST THE BEGINNING

Programs empowering justice-involved women with programs, resources, and support to successfully reach esteem, wholeness, and self-sufficiency.

LA COSECHA

Program support for food, clothing and basic needs services for economically underresourced LatinX residents in Tulsa.

LEADERSHIP TULSA

Expansion of the after-school development program focused on building the next generation of diverse civic and community leaders.

MARTHA’S FOUNDATION

New van for this nonprofit serving teen mothers and their children.

MEALS ON WHEELS OF METRO TULSA

Toward a food delivery and healthcare prevention program in North Tulsa, to reduce hospitalizations and skilled nursing stays.

MET CARES FOUNDATION

Staff capacity to expand economic development initiatives and homeownership opportunities in North Tulsa.

MISS WEARYS FOUNDATION

Scholarships to provide comprehensive, accessible healthcare training to underserved students of color.

NEW HOPE OKLAHOMA

Support for camps and after school programs aiming to break the cycle of generational incarceration for Tulsa youth experiencing parental incarceration.

REVITALIZE T-TOWN

Safety and security repairs for low-income homes, contributing to improved housing values in North Tulsa neighborhoods.

SMILES OF FAITH

Toward new free and accessible dental services to the North Tulsa community.

SUPPORTERS OF FAMILIES WITH SICKLE CELL DISEASE

Support for a comprehensive service continuum of care for a disease that impacts African-Americans at disproportionate rates.

THEATRE NORTH

A long-established North Tulsa, Black-led theatre program that stages and presents plays reflecting the African American experience.

THE OASIS PROJECTS

New delivery and passenger? Truck to improve the accessibility of fresh foods for North Tulsa residents with limited access to transportation.

TRI-CITY COLLECTIVE

Award-winning professional broadcast journalism effort that engages the local public on issues important to communities of color.

TULSA DREAM CENTER

Distance learning and after-school programs at a high-performing and minority-led community organization in North Tulsa.

URBAN CODERS GUILD

A creative after-school tech-training program targeting middle and high school students of color to develop a more inclusive tech ecosystem.

URBAN INNOVATIVE DEVELOPMENT CORPORATION

Program support for the North Tulsa Construction School, providing justice-involved men with in-class training and journeyman apprenticeships.
